

## Professional Services Consultant

Corda Technologies, a rapidly growing software company and leader in data visualization and executive dashboard software, is expanding our professional services team.

We are searching for highly engaged consultants, with experience, who want to be part of a highly respected, industry expert and technical services team.

As one of the best places to work, Corda offers a competitive salary along with an exciting benefits package including medical, dental and vision insurance, 401(k) retirement plan, life insurance, short-term and long-term disability insurance, health club benefit, and a very fun and active environment.

### Position Description:

As a Professional Services Consultant your responsibility is to provide pre and post-sales implementation services for Corda clientele. This position requires strong technical and communication skills, both verbal and written. The ability to work with customers under a variety of circumstances and understand and meet customer expectations is a requirement. The individual must be a self-starter with strong problem solving skills. As the technical lead for a customer implementation you will work together with an account manager as primary customer contact to develop the best strategy for a successful implementation. A large part of the consultant's responsibilities will likely consist of scoping, designing, documenting and implementing integration requirements.

### Required Skills:

- 3+ yrs IT experience in development or services required
- Knowledge and experience developing rich web applications using javascript and CSS
- Knowledge of and experience using Java programming language
- Very strong communication skills are required
- Moderate SQL experience a must
- Ability to travel up to 50% of a business month
- Would be strongly beneficial to have creative design and UI skills

### Personal requirements:

- Strong execution mentality, self starter, great communication skills
- A built-in desire to tackle new challenges routinely

### Compensation:

DOE

Base Salary and benefits.

MUST BE AUTHORIZED TO WORK IN THE U.S.

Corda is an Equal Opportunity Employer
